It's a genuine pleasure and honour to address everyone at Biz Night 2024. This event provides us with an opportunity to enhance our connections and strengthen the bonds between us on this remarkable night.

Throughout the year, I've observed the freshmen seamlessly integrate into university life and explore the campus with enthusiasm. I would like to praise all of you for your outstanding performance in both academic and non-academic pursuits. Additionally, I appreciate the University of Malaya Business Club for providing opportunities for the member to enhance knowledge related to our current world. By organising events, workshops, and seminars, UMBC empowers its members to stay informed about contemporary issues, industry trends, and innovative practices.

In addition, to the seniors graduating and embarking on new journeys beyond campus, I wish you the very best and encourage you to seize every opportunity that comes your way.

Lastly, I would like to express my utmost appreciation to all the departments, including the management of Universiti Malaya and the Faculty of Business and Economics, as well as all the sponsors for their continuous support and guidance to our students in their activities.

Thank you and let's have an amazing night throughout Biz Night 2024.

Congratulations to everyone for your outstanding efforts, dedication, and commitment throughout the year. I feel honored to have the chance to say a few words in Biz Night 2024, the final event from UMBC for the academic year 2023/2024.

Being part of UMBC has been a privilege, and I've witnessed its sustained growth and success over the years. The student-led events have been truly remarkable, considering the balance required between organising them and academic studies. I extend my heartfelt admiration to everyone who contributed.

I would also like to extend my congratulations to the entire organising committee for ensuring the success of Biz Night 2024. The event aims to provide a platform for Faculty of Business and Economics (FBEC) staff and undergraduates to foster a sense of unity and camaraderie. It's an opportunity to strengthen relationships and create lasting memories with peers.

Last but not least, I want to extend my heartfelt gratitude to everyone for their contributions in making UMBC a success. Together, we can accomplish far more than we could individually. Your commitment and hard work is very much appreciated.

I wish to express my deepest gratitude to the entire Biz Night 2024 Organising Committee for orchestrating this splendid evening with finesse.

Leading UMBC and our BBA students over the past year has been an honour and a privilege. Throughout this journey as the President of UMBC, I have gleaned invaluable lessons. I am profoundly grateful to Dr. Hazlina, our advisor, for her unwavering guidance and support, which have been instrumental in steering the club forward.

Furthermore, I am appreciative of the support and assistance provided by my esteemed members of the Board of Directors, whose dedication has contributed to my growth as a leader. Orientation Week (O-Week) 2023

Orientation Week, or O-Week, is an annual event held by the University of Malaya Business Club (UMBC) dedicated to Bachelor of Business Administration (BBA) students. O-Week acts as a platform to unite Universiti Malaya Undergraduates of Bachelor of Business Administration (BBA).

This year, O-Week 2023 came back with the theme "Odyssey of Transformation" and the tagline "Voyage Beyond Boundaries," and was held on the 21st and 22nd of October 2023 at the Faculty of Business and Economics. The event aims to help BBA students adapt to university life, faculty and system by guiding and assisting them. It also encourages BBA undergraduates to unleash their potential, accomplish goals, and distinguish themselves from their peers.

The event featured various interesting highlights such as the Introduction of UMBC Events, The Success Blueprint, BBA-ians, All Hands On Deck!, Ready-Set-O, and Buddy Hunting. During The Success Blueprint, we were inspired by the fruitful and eye-opening talks given by Mr. Gary Ng, Co-Founder of ZUCCA, Mr. Jeremy Chia, Co-Founder and Managing Partner of Chia, Ka, & Partners (CKP) and Mr. Victor Chin, Chief Executive Officer of Jobbie Sdn Bhd.

O-Week 2023 not only provided a comprehensive introduction to university life for new BBA students but also motivated them to pursue excellence and growth. The event successfully created an environment where students could build meaningful connections, gain valuable insights from industry leaders and embark on their academic journey with confidence and enthusiasm.

MBSS has created lots of miracles owing to the cooperation of all associates. During the pandemic era, MBSS has been switched to being conducted virtually for 2 years. The goal for this year is to focus on the theme "Connection" and this event is dedicated to creating a platform for participants to be bold and make new connections with peers from different academic backgrounds.

Business Trip (Biz Trip) 2024

Business Trip, or in short, Biz Trip, is one of the annual events held by the University of Malaya Business Club (UMBC). Biz Trip 2024 offers an opportunity for BBA undergraduates to take a trip after a busy academic year. The purpose of Biz Trip 2024 is to foster bonds among Business Administration students and immerse them in the different perspectives of professionals through corporate visits.

This year, Biz Trip 2024 was held from the 6th to the 8th of April 2024 in Ipoh, Perak, and Cameron Highlands, Pahang, with the theme "Embrace Nature" and the tagline "Roam Freely, Discover Naturally". This theme serves as a reminder to cherish the profound beauty that surrounds us, encouraging BBA students to seek out new experiences and deepen their connection with the natural world. Biz Trip 2024 aims to create both memorable and meaningful experiences and foster teamwork that bridges the gap among participants.

The event highlights of Biz Trip 2024 included activities such as Valley of Blooms, Cuddled by the Wind, Path to Tomorrow, and Plant for the Planet. These activities were designed to provide students with unique and enriching experiences, furthering the overall objectives of the trip.
